## The Greatest "Unexpected" Pregnancy

As we enter this Christmas season, I'm reminded of the greatest "unexpected" pregnancy the world has ever known: Mary's unexpected, miraculous conception of Jesus. From a human point of view, nothing about his arrival was convenient. Yet God used that moment to bring hope, redemption, and life to all humanity.

This is the same hope your support helps us to bring to mothers, fathers, and unborn children every day. Because of you, young women facing fear and uncertainty find compassion. Families find guidance, and precious lives are saved. Your generosity makes this ministry possible. Thank you for standing with us as we continue to affirm the value of every life created in God's image.

As you consider your year-end giving, I invite you to partner with us once again. Together, we can continue offering hope, just as God provided hope to the world through an unexpected child in a humble manger. May the miracle of Christ's birth fill your heart with peace and joy.

With gratitude,  
Annie Riveira
