### Tax Donation Receipts Have Been Mailed

Thank you for your faithful support of our ministry. Your 2025 tax donation receipts have been mailed and should arrive soon. If you do not receive yours, please contact Annie, [ariveira.mvwhc@gmail.com](mailto:ariveira.mvwhc@gmail.com), and I will be happy to get yours to you promptly.

We're excited to share that we've added Spanish educational classes for our Spanish-speaking clients. We want to ensure every client has access to the support, knowledge, and care they need before, during, and after pregnancy.

### Giving is Easy - And it Changes Lives

Your generosity helps provide hope, care and life affirming support to the families we serve. We've made it simple for you to give in the way that works best for you.

### Thankful for Our Church Partners

We are so grateful to the Churches who have welcomed us to share about our pregnancy clinic and our mission. Their openness has allowed us to connect with congregations, host information tables, and share the many resources we provide to families in our community. Thank you!

It's not to late! We would love to talk with you and your church and share the many ways to partner with us! Your women's ministry can host a baby shower or your children's ministry can raise money by selling baked goods. Please reach out to Annie and see how your church can make a difference in the lives of moms and babies.

Seek his will

and he will show you  
which path to take.

### **Where God leads, we will follow**

We are seeking God's direction as we consider whether a new location is his plan for us. We will have the choice of either renewing our current lease or considering a location on Frederick Street, near Planned Parenthood, one that is larger and more accessible, and on the ground floor. But nothing is final at this point.

We are stepping into a season of prayerful discernment and faith. We invite you, our prolife family, to join us in prayer, asking the Lord to open the right doors, provide the right space, and lead us exactly where he wants this ministry to grow.

Together, we trust his plan and his perfect timing.
