Baby Bottle Campaign - YTD

You've raised \$451.00 so far this year through our Baby Bottle Fundraiser! We are so thankful for your continued support of this simple yet impactful campaign.

Every coin, every bottle, every heart involved makes a difference. The Baby Bottle Fundraiser is a **year-round opportunity** and a beautiful way to **partner with your church community** to support life.

What makes this fundraiser so powerful is how easily it can be **incorporated into every ministry** within the church.

Children's Ministry- A wonderful way to teach even the youngest hearts about the value of life and the joy of giving.

Women's Ministry- Many women's groups have gone beyond collecting change, hosting baby showers for our center to bless mothers in need.

Men's Ministry- Men are deeply affected by unplanned pregnancies, miscarriages, and past abortions. This is a chance for men to support other men walking through difficult seasons and to stand together for life.

Want to get involved or grow your current campaign? I would love to meet with you and your ministry leaders and see how we can partner today! We provide **everything you need** to get started. You pick the date, we provide the bottles, and then you give us a collection date! Come by or give us a call- I would love to sit down and show you how your church can make a lasting impact for Life through this campaign.

Thank you for helping us champion **LIFE-** one bottle at a time!

Fourth Of July Parade

What an amazing time of outreach and fellowship we had at the Moreno Valley Fourth of July Parade! A huge thank you to everyone who came out to walk, drive and bike alongside us. It was a powerful opportunity to connect with our community and share the love of Christ in a fun and visible way.

We were blessed to pass out over **300 flyers**, and we're already seeing the impact-just one week later, **two new clients** came in and shared that they received our flyer at the parade. Praise God for the seeds that are already bearing fruit!

A special shout out to Ray Rodriguez and Phillipe Lievan from One Way Car Club, along with their families. Thank you for bringing out your beautiful classic cars and being the hands and feet of Jesus as we ministered to the community together.

We look forward to many more opportunities to serve and shine **His** light.

Abortion Recovery: A Path to Healing

We understand the deep and lasting impact abortion can have on both women and men. At our center, we are dedicated to providing hope, healing, and restoration through the love of God. Our Abortion Recovery class provides a safe and confidential space where individuals can process their experience, find forgiveness, and begin their journey toward healing.

We are pleased to share that a recent class concluded in early July, and we are excited to announce a new opportunity for healing. A dedicated volunteer has stepped forward to lead our next **Abortion Recovery class, which will begin on August 13 at 1:00 PM**

If you or someone you know is carrying the emotional weight of a past abortion, we invite you to reach out. All calls and emails are confidential.
